CLERK: Mr. President, I have an Attorney General's opinion addressed to Senator Glenn Goodrich regarding LB 407. That will be inserted in the Legislative Journal in full. (See pages 911 and 912.) Mr. President, Senator Bereuter moves to return LB 567A to Select File for the attached specific amendment. The amendment reads as follows: Read. (See page 913, Legislative Journal.) That is offered by Senators Bereuter, Kahle and Warner.

PRESIDENT: Senator Bereuter.

SENATOR BEREUTER: Mr. President, I move for the return of this bill for this specific amendment. It's simply a reduction in the general fund that we are using from \$60,751 to \$40,638 and to eliminate the federal funds which was for restoration efforts. It is now our understanding that the renovation using federal funds probably should not take place next year. It would take place in the subsequent year but only after a program statement is prepared. So we are asking for the A bill to be reduced by a little over \$29,000 and that is the purpose for returning the bill for amendment.
